In an emergency, minutes lost looking for an address can be the difference between life and death, a home saved or a home lost.

For this reason, South Pend Oreille Fire & Rescue Firefighters would like to extend the opportunity for you to cut minutes of response by offering address signs for the driveway entrance and/ or a number for the house. By doing this, the assurance of finding the correct residence faster, would assure a rapid and reliable response to the emergency situation. It is our goal to provide the best and most reliable care to you in the community.

The signs are 6" x 24" or 6" x 36" double sided BLUE REFLECTIVE aluminum with 4" White reflective numbering on one or two sides.

Remember Help us help you with easy to identify address signs!!
