PEND OREILLE COUNTY FIRE DISTRICT #3

(509) 447-5305 • Chief Mark Havener

Pend Oreille Fire District 3 has been busy lately responding to Motor vehicle accidents. When winter weather creates difficulties for traveling please add enough time to not rush and travel prepared with warm clothes and appropriate footwear if you have to wait in the weather.

MEET OUR MEMBERS:

CAPTAIN DAVE WILLIAMS -

Dave has been with Pend Oreille Fire District No. 3 for over 10 years now and has always been a very effective volunteer with the fire district. Dave lives in the

Deer Valley / Coyote Trail area with his wife Cheryl.

Dave serves Fire District 3 as one of our Station Captains.

Dave is the captain for Station 33, our Deer Valley Station. Dave enjoys the people in the fire service and with a work schedule at his full time job at Ponderay Newsprint Company, we see Dave at all times of the day and night. Dave is a very valuable addition to the community. His skills on the

fire ground as a firefighter and as an Intermediate EMT allow him to serve the community fully when the need arises. His skills as a leader are admirable as Dave likes to treat people with respect and understanding. The Deer Valley Station is always ready to deliver service with Dave's "ownership".

Dave works fulltime at Ponderay Newsprint and enjoys his time off raising sheep, spending time with his wife and playing on his snowmobiles. Next time you see Dave make sure that you Thank him for the time and energy he puts into serving his community.

If you have a desire to learn more about being an active volunteer with Pend Oreille Fire District No. 3 give us a call or visit the website @ www.pofd3.org

As we approach the Christmas season, Fire District 3 would like to remind you of some candle safety. Make sure that your candles are in a safe location; never leave a candle unattended and extinguish them before you leave the home or go to bed.
